

US Army Corps  
of Engineers  
Buffalo District

**General Notes**

The information depicted on the map represents the results of surveys made on the date indicated and can only be described as indicating the general condition of the line. Unless otherwise noted on this map, all depths and soundings are in feet and are referred to the International Great Lakes Datum 1985 (IGLD 1985) and all horizontal positions are referred to North American Datum 1983 (NAD83). See the State of Illinois General Purpose Map Series for more information on the datum used. This map is available on a web browser to <http://www.inp.usdoe.gov/atl/atlweb/survey/survey.html>. This charting was prepared using a CAD system. Sounding marks are displayed.
